irem D to S, four feet.]
and we will show you how to construct a
tent twelve by eighteen feet, that shall be
water tight, and cost you less than \$10, not
counting your own labor.
From the diagram it will be seen that
you require six strips of "duck," seven
feet and six inches long, making in all
fifteen yards. These must be sewed in a
double seam, overlapping each breadth
one inch. Make a hem one inch wide
upon the two ends that form the eaven.
Through this run a rope the size of an or-Chrough this run a rope the size of an or-Through this run a rope the size of an ordinary bed cord; at every breadth work an eyelet to receive the cords that hold the tent to the pegs. The cord running through the hem prevents the material from tearing. The duck should not cost more than sixteen cents per yard. You will now require for the two ends twentyone and one-third yards of heavy unblesched muelln, worth eight cents per yard. Out this into four strips seven feet long, and four more, nine feet in length. the two short ones on each side of them over your disgram on the floor, and cut the gable of the roof. Sew them together, except in the center, when one end of the tent is formed. Serve the remaining four tent is formed. Serve the remaining four pieces in like manner for the opposite end, then sew them to the roof. You will next need twelve strips of the same material, five feet long, for the sidea. Saw six of them together far each side, overlapping the seams an lach, as in the top, and bemming it one incil wide at the bottom. Pass a rope through the hem sad work eyelsts at every seam. Sew the sides thus formed to the top, so as to allow it to project three inches, as seen at A in our diagram. Now sew your corners together.

long, which, when sewed together and hemmed in the same manper as the top, with rope and eyelets in same localities, will form a shelter over the entire tent, projecting fifteen inches beyond, to carry he water free from the sides. This fly catches the first shock of the rain and prevents its falling through the real roof of the tent in a fine spray. It also keeps your tent cooler when the sun falls upon You now have your tent complete.

which, when sewed together and sed in the same manner as the top.

We are asked \$80 for it by a main the consecutive asked \$80 for it be also asked \$80 ... \$9 31 When searching for a tent of this capa-city we were saked \$80 for it by a manu-facturer, and of no better material that The Drawing and Healing Salve cures carbundes, felons and absence, without the sid of a knife. Now, who's going? If you take your wife and children—which we recommend, sa they can be perfectly comfortable in a such a tent, and will grow strong and on happy in the open air—we advise you to locate on the bank of some aiream, in a shady wood, near some farm house that a can supply you with bread, butter, milk cand eggs. If a party of four gentlemen ware going to spend four weeks in troat or nother fishing, select a dry spot under some large trees, near the best fishing to some large trees, near the following one necessary utensils:

ecessary utensils: Two long-handled frying pans. Two long-handled frying pans.
A coffee and tes pot.
A long-handled, eight-quart boiler (in which to boil your potatoes and to heat your dish-water).
A dish pan.
A small teskettle.
A wire broiler.
Six common knives and forks.
One butcher-knife.
One long handled iron spoon.
One long handled iron fork.
One doen tin tesspoons.

One dozen tin teaspoons. Half dozen tin tablespoons.

Haif dozen tin tablespoons.
Twelve tin plates.
Twelve tin cups.
One two-quart pail (for milk).
One four-quart pail (for water).
These are all that are absolutely needebut other useful articles can be added your packing-box will receive them. The stra number of plates are necessary extra number of plates are necessary to place your potatoes, fish, bread and other articles upon at table, while the cups are articles upon at table, while the cups are used for sugar, sait, syrup, etc. Your own ingenuity will tell you how to pack all snugly. Make a strong box of inch pine boards, four feet long, two feet wide and two feet deep. Bind the corners with iron and strengthen the top in the same manner. Attach the top to the box by means of long strap hinges, and a strong clasp in front to hold t down. Eight inches from the top, at each end, bore two one-inch holes, through which run a piece of inch rope, wrapping the ends together.

Five pounds rice. Ten pounds dried fruit (peaches ar

need).
Ten pounds dried fruit (peschiest).
Ten pounds ground coffee.
Five pounds black tea.
Twenty-five pounds "A" sugar.
Ten pounds dried beef.
Twelve pounds butter (in crock).
Two pounds candles.
Five pounds soda crackers.
One sack salt.

One package matches (tightly corked i

One package matches (tightly corked in bottle).
Soap and towels.
To this add a quantity of bread and biscuit, and rely upon some farm-house for a fresh supply. Your sugar should be placed in a sugar-bucket, with cover, to be found at all groceries. Your coffee and tea may go into tin cans, as well as your flour and cornmeal. The tin cans used for lancy crackers to be had of your grocer, will be very convenient for packing such articles, and will fit nicely in your camp chest. After your provisions are in the box, throw your potatees and onloss in chest. After your provisions are in the box, throw your potatoes and onions in among them to fill up the vacant spaces, then pack your cooking utensils, with ax, saw, hatchet, augar and nails on top, together with a har of from an half inch thick, an inch and a half wide, and as long as the box. Your box will contain them all, and your tent to boot. You can add to this list canned fruits, tomatoes, corn, etc., with some jellies and jam, that taste very well in the woods.

Erect upon one side of your tent two

taste very well in the woods.

Erect upon one side of your tent two bedsteads, constructed in the following manner: Drive six green stakes solidly into the ground, forming two rectangles, end to end, four by six feet. Out two straight saplings, twelve feet long, and sail them to the three stakes on a cide, about eighteen inches from the ground. Across these nail sigts, formed of round poles of as near the same size as possible, and across the ends other poles, to serve as "head-boards." This gives you two bedsteads, foot to foot, upon which you can place two ticks of suitable size, filled with straw from the nearest farm house. with straw from the nearest farm house If you are away from civilization, where If you are away from civilization, where atraw or hay cannot be obtained, gather a quantity of hemlock or sprace boughs, pile them up a foot or two deep, over which spread a blanket or comfortable, and you will have a bed fit for a king breat upon. In a large trunk or box you can pack six comfortables, four sheets and four pillows, all the bed clothing required, even should the weather be cold. A comfortable placed over a straw tick makes a ortable placed over a straw tick makes uxurious bed. Once in two or three days

he beds and bedding should be spread i the beds and bedding should be spread in the sun, else they are apt to grow musty. Near your dining room, pile up a lot of stones, about a foot high and four feet long. Build a wing of each two feet long, cover the stones with sod and earth (and this reminds us that you will need a shovel), so that when it is finished you will have a fire-place shaped like this:

on the most tender infant.

AR REUPTION OF RIGHT YELDS STANDING.

Aaron Mitchell's testimony before the Grand Jury at this term of the Circuit Court discloses that there is a regular organization in this county known as the Red Man, or Regents Committee Men, who are regularly organized with a written constitution and by-laws, and that they were bound together by an oath that each member should answer with his life for the disclosure of any of their secrets; that they had been consistent on Louis Ritter's larm and at various other piaces; that the place of meeting was a guarded by four or five guards; that the meetings were presided over by that the meetings were presided over by regular officers, and that a roll of their ficitious names was kept and that the witness (Asron Mitchell's) fictitious name

"BATTLEHAM;" and that the pledge was read to the candi dates for admission in solemn conclave in the presence of all the members by the presiding officer, and the candidate was then asked,

"WILL YOU JOIN ON THESE TERMS?" That at these regular meetings certain men were selected for punishment and the time fixed for its infliction; that no cer tain members were ever designated to in-flict this punishment, but that all were allowed to go who voluntered who had some personal grudge or cause of complaint against the proposed victim; that they went upon these journeys MOUNTED, DISGUISED AND ARMED.

victim resisted that they should kill him if it was necessary. And that the punishment was never inflicted in that spirt of christian charity which characterizes the actions of all men who desire to see justice and justice only administered to their fel-

which to lift it. In the bottom of this box pack the following provisions, which will keep four hungry persons four weeks, as well as any visitors that are likely to call a halt upon the action of this organization. We say God speed them in their noble work. For all decent people upon you and enjoy your hospitality:

Twelve pounds wheat flour.

Twelve pounds corn meal.
Four quarts beans.
Two bushels potatoes.
One peck Bermuda onlons,
Five pounds rice.
Ten pounds dried.

The Mans Who Was Mixed.

as the insurance agent looked up. "You are excusable, sir. What did you

"Well-you see-I'm a bit mixed. Was it Napoleon or Washington who crossed the Alpa?"

'Napoleon, of course."

"Just so—thanks. I was inclined that way myself, but yet I knew that General Washington was always scooting around, and he might have taken it into his head to cross the Alps. Good day, sir."

He passed down the hall thirty feet, and

then returned and protested:
"Say, don't think ill of me, but I am still mixed up-dreadfully mixed. Will you answer me one more question?"
"Yes."

"Yes."
"Was it Nero who commanded the sun to stand still?"
"No; it was Joshua."
"I had an idea it was Joshua, but I didn't dare to put up money on it. Nero was always fidding around, you know, and I had a dim idea that he might have taken a whack at the sun. Very much obligad to you als." obliged to you, sir."

This time he went half way down stairs, and returned on tip-toe. The agent looked up and saw him in the door, and sharply queried:
"Well?"

"Mixed again!" pleaded the stranger.
"Say, I want to ask you just one more question."
"Yes."
"Did you ever lend a man a dollar to

"Did you ever lend a man a dollar to help him on his way to Columbus to see his dying wife?"
"Never! You are thinking of old Diogenes. He need to shell out to every deadbeat who came along."
"Mixed again, by thunder!" muttered the man, and as he passed down stairs he took great pains to set his feet down on each arep like a man who had bet on three of a kind and found a flush taking his money.

Riching Piles

is one of the most annoying diseases in the world, and yet all can find aure relief by the use of Da. Swayne's Currelief by the propositions, intense identifies the sing, increased by scratching, very distressing, particularly at hight, as if pin worms were crawling in and about the rectum: the private paris are sometimes effected. Reader, if you are suffering from this distressing complaint or tetter, itch, scald head, ringworm, barber's itch, any crusty, scaly skin eruplions, use Dr. Swayne's Olument and be cured.

L. Taylor, Himslale, N. H. writes: "thirty years I have been gradly troub with Itching Piles: have consulted me remedles, which proved to me no remedie all, until I obtained Dr. Swayne's Ointment at Thomas' drug store in Brittleboro, which cured me completely. Swayn Clintment sold by all drugrits: "Trake

A Baptist Minister's Experience. A Baptist Minister's Experience.

I am a Baptist Minister, and before I even thought of being a clergyman I graduated in medicine, but left a incrative practice for my present profession 40 years ago. I was for many years a suffers from quinsy; "Thomas' Eclectric Oil cupra ne: I was also troubled with hoarseness, and Thomas' Eclectric Oil always relieved me. My wife and child had diphtheria, and "Thomas' Electric Oil cured them," and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate cold or cough, and if any one will take a small teaspoon and half fill it with the Oil, and then piace the end of the spoon into the head by sniffing as hard as they can, until the Oil falls over into the throat, and practice that twice a week, I don't care flow oftensive their head may be, it will clean it out and cure their caterrh. For deal-

care flow offensive their head may be, it will clean it out and cure their catarrh. For deafness and earachs it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever felt like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in say house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Eclectric Oil.

Dr. E. F. Chank,
Corry, Pa. SATURDAY, JULY So This is a special act, and has never been repealed. The United States Circuit Court on March 21 ren tered the following decisions: Ist—That the Commonwealth Distribu-

How to Secure Health,

How to Secure Health,
It seems strange that anyone will suffer
from the many derangements brought on by
an impure condition of the blood, when
Scovill's Sarsaparlia and Stillingia, or Blood
and Liver Syrup will restors perfect health to
the physical organization. It is indeed a
strengthening syrup, pleasant to take, and has
proven itself to be the best blood purifier ever
discovered, effectually curing scrofula, syphillith disorders, weakness of the kidneys,
crysiplias, malaria, all nervous disorders and
debility, billous complaints and all diseases
indicating an impure condition of the blood, debility, bilious complaints and all diseases indicating an impure condition of the blood, liver, kidneys, stomach, skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

iessen the natural vigor of the brain and nervons system, Wells & Dent, Druggists and Apothe-caries, Bank Bullding, Bridgeport, Ohio, aisse Logan, List & Co., Wholesales Agents, Wheel-ing, W. Vs.

Used to say: "Boys, if your blood is out of order try Burdock tea." and then they had to dig the Burdock and boll it down in kettles, making a nasty, swelling desoction; now you get all the curative properties put up in a palatable form in Bursonck Buon Burrana. Price \$1.00, trial size 10 cents.

Sold by 'Laughlin Bros. & Con Wholesale Druggists, Wheeling.

Bescued from Death. The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for the attenuon eigour renders. He says "In the fall of 1878 I was taken with a violent bleeding of the lungs, our renders. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to loose my appetite and fissh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospitat. While there the doctors and I had a hole in my left lung as big as a half dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. William Hall's Balsam for the Lungs. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gradification I commenced to feel better. My hope, once dead, began to revive; and to-day I feel in better spirits than I have for the past three years. "I write this hoping you will publish it, so that every one inflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convenced that Cousumption can be cured. I have taken two bottles, and can positively say, that it has done more good than all the other medicines I have taken since my sickness. My cough bast aimost entirely disappeared and I shall soon be able to go to work." Sold by drigsts.
